Board meetings are scheduled the second Monday of the month.

April Meeting Highlights

- ☒ March minutes approved,
- ☒ Harbormaster report given
- ☒ New members last month – a limited membership for the Faulhabers on A Dock.
- ☒ Receivables were reviewed and a few members are in arrears. Ernie Jones will contact them.
- ☒ In March, approximately 250 gallons of fuel were stolen while the office was closed. Due to a low insurance deductible, the financial loss to the club was minimal. Options to reduce future theft and avoid destruction of club property (security fencing, replacing the police trailer now that the availability/demand for trailers has changed possibly making them more affordable, installing security cameras) were discussed. A committee was formed to look into all options and will report on them next month.
- ☒ Quotes for a four camera security system to be focused on the fuel dock, in the harbor aimed towards the river, the member and ramp parking area and launch ramp will be gathered and presented at the next meeting.

The new Grill Dock is almost finished! A permanent floating “home” for the grill is currently under construction. This dock was created to keep open flames away from the Party Dock structure and boats. It’s located at the back of the Party Dock and will soon be completed. Kudos to Ernie Jones, Phillip Baltz, Bill Trimble, Harbormaster Mike and Mr. French for the blood, sweat and tears (and beer consumption) it took to move, assemble and launch our new Grill Dock. Nice job fellows!

Thanks to Chris Richey and friends the second Lowcountry Boil was fun and tasty! The membership appreciates all of his hard work on its behalf.

And thanks to Owen and Sheila Hays for all of their efforts and hard work in implementing their plan for the installation of a shuffleboard court, and to the generous members whose pledges made it possible.

No clubs funds were used to pay for this project.

Did you know that your CYC and [Yachting Club of America](#) membership offers you reciprocity to many yacht clubs throughout the U.S.?

If you’re considering a visit to a yacht club in another area, first call that club and ask what they require to allow you access to their facility. Formal clubs may request a letter of introduction on club letterhead from our Commodore, while less formal clubs may only ask to see a CYC membership card, or a current Yachting Club of America card which is updated yearly and is available to all CYC members. Yachting Club of America uses the Register of American Yacht Clubs as their reciprocal guide. The 2012 guide is available in CYC’s office.

If you plan to sell your slip, please contact our Harbormaster for a lease/sale information packet that will include a membership application, club information and a breakdown of slip related costs. This information will help both you and the prospective member understand what is required from both seller and buyer. All slip sales require closing documents, a transfer fee of \$500 and a full membership fee of \$3823.75 (\$3500 + tax). Slips remain in the name of the current owner until all closing documents are completed and the transfer fee has been paid. Please review your Slip Leasehold Contract for details. Any outstanding club debt of the seller must be paid by closing for the transfer to be final.
