Board meetings are scheduled at 5:30pm the second Monday of the month.

CYC News October 2024

Message from the Commodore:

Fellow Club Members,

The Annual Membership Meeting is tentatively scheduled for January 18, 2025. In addition to reviewing our 2025 budget and several other issues, we will add two new Board Members as Nichole Harper and Terry O'Donnell leave the Board after serving their terms. Thanks to both of them for serving. Ernie Jones, Owen Hayes, and Walter Keith have agreed to serve on the Board Member Nomination Committee. If you are interested in serving as a Board Member or would like to nominate someone, please contact Ernie, Owen, or Walter and let them know your willingness to serve.

We have had several transients stay with us over the past several weeks and without exception, they all had great things to say about CYC and enjoyed their stay. I think we all take our club, facility and staff for granted at times. CYC is a great place and a great group of people who love boats, boating, and respect each other.

Let's enjoy the fall weather and the opportunity to get our boats out and see some fall foliage!

Be sure to check out the new website at <https://commodoreyachtclub.com>.

Thank you,
Steve Hawkins, on behalf of the Board of Directors

Hard to believe that Fall is here and Winter is just around the corner. Unfortunately not many warm, sunny days remain this season. If you aren't going to be around much when the cold winds begin to blow, and if you don't plan to winterize, you should consider adding a little onboard tech. There are many tools available - cameras, battery and temperature monitors, etc. - and most can be accessed by wi-fi making it simple to monitor your boat's condition from the warmth of your home. When leaving your boat, always be sure to disconnect your outside water hose to avoid spigot damage from freezing.

Did you know CYC's Party Dock can be reserved for personal events?

Email your request to commodoreyc@gmail.com, or call Belita at 615-293-5311.

A rental fee of \$50 per day plus a \$150 damage deposit is required to reserve the Party Dock for a private event.
